CONFLICTING STORIES BY CAPTAIN AND MATE.

MANY COMPLAINTS.

The story of the wreck of the P. and O. liner Oceana off Beachy Head on March 10 was told yesterday, when the Board of Trade inquiry opened at the Westminster Palace Hotel.

One of the chief points raised in the inquiry is the discrepancy between the story of Captain Hyde, the master, and the account of the mate, who orders given immediately after the collision.

Mr. Bateson related the dramatic story of the capsizing of the first boat that was lowered. It was the mate, and children were in it, and among those on board were two seamen named Carter and Carter.

Both the men in the boat said that there was "way" on the Oceana when the boat was lowered. One rope was unhooked, but the mate insisted that it was the other to allow it to be unhooked.

TRUE SUCCESS AT LAST! SUPERFLUOUS HAIR.

Permanently Removed and for Ever Vanished by Marvellous New Scientific Discovery.

KATHRYN B. FIRMIN, the famous Parisian beauty, has at last perfected a Simple, Safe, and Harmless Home Treatment that will Surely and Permanently Remove and Destroy All Superfluous Hair without Injurious Pastes, Powders, Electricity, or Painful Apparatus.

"A horrible hairy mark ruined my face. For years I was humiliated and ashamed, with a beard like a man."

The task undertaken by this beautiful Parisian scientist is filling a want among women which has long been unappreciated. It is the duty of every person to do some good in this world, and Kathryn B. Firmin is doing even more than her share.

No longer need any woman submit herself to the painful electric needle or other torturing apparatus, the worthless and injurious pastes, powders, and burning liquids can all be cast aside, and no woman need resort to the masculine and disagreeable necessity of shaving herself with a razor.

"All the superfluous hairs from my face and neck have completely disappeared," writes Mrs. H. BRARLEY, of Stone, Cheshire. "I must write to say how pleased I am with the Roman Solvane treatment. I place you under an obligation whenever."
